

ON THE COLLEGE OR PROFESSOR'S LETTERHEAD

LETTER FOR RECOMMENDATION

It is my pleasure to write the letter of recommendation for **Miss. xxxxxxxxxxxxxxxx** who passed BDS (Bachelor of Dental Surgery) from Subharti Dental College & Hospital (2005-2010).

Ms. XX has been very sociable and likeable girl who was sincere about her ambitions. She was always willing to lend a helping hand around the clinic. I had spent a lot of time together talking about her goals and aspirations. It was evident that she had the drive to survive in this industry. She sees dentistry not as just a career, but a venue to transmit her ideas for the advancement of dental health care.

In **xxxxx**, I see many qualities of a good Dentist. She is very strong willed. She is also an eloquent communicator. Being able to effectively talk to patients is crucial as a dentist, and I saw first-hand how **xxxxxxx** had been a polite yet informative communicator. Additionally, she had often expressed a desire to engage in Research oriented dentistry and I feel she possesses the intent and industriousness for the same.

It is with much excitement, I write this letter for **Ms. xxxxxx** who seems to have strong problem solving skills which she will use for the patient benefit. I have high hopes and expectations from **xxxxx** & wish her all the success in professional as well as personal life. .
